# Blast From The Past

# Give Me Five

This past year all students participated in our annual community service project. The students were to give up five hours of their time doing a good deed to better the community. This could include baby-sitting, helping in the neighborhood, or even helping coach little league. After doing their community service, the students were asked to make a speech or present a poster on their service project. In doing community service the students not only recieved a great experience, but they helped their community as well.

Sophomore Razell Jones helped around the school by stacking up the news papers.

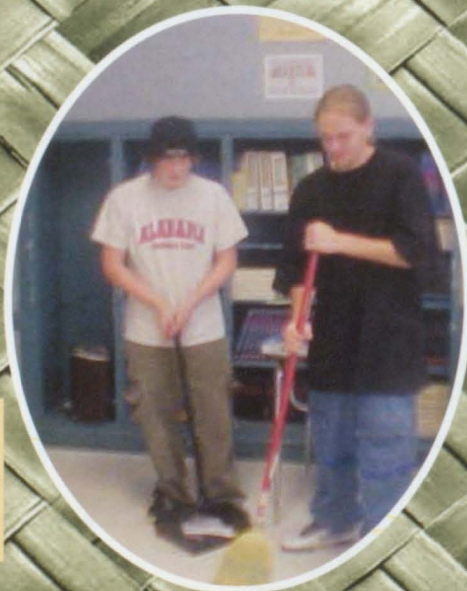

Freshmen Tyler Wilson and Katie Bitz are doing their part by helping with the trash.

Above: Juniors Sam Ginwright and Taylor Holmes do their share by building a bench for the school.

Sophomore Joseph Carpeneter and freshmen Codie Rice help by sweeping the school.

Sophomore Jessica Goolsby helps her little league as a contribute to her community service.

# Express Yourself

"My opinion on the new schedule is that it comes out to be a good thing because it prepares you for college and teaches you responsibility." Senior- Kyle Stewart

"My opinion on the new schedule is the classes are way too long and I do not like it because the classes are really crammed on Fridays." Freshman Hollis Smith

"In my opinion I think it is really positive in many ways. It allows more time for the students to do their work." Ag. Teacher- Mr. Adair

***This past year, students were asked a question that everyone had an opinion on..."How do feel about the new schedule?" Many students were polled and had various views that they expressed. Some students agreed with the new schedule while others did not.***

"My opinion on the new schedule is that I do not like it because the classes are too long, and I do not get to see all my friends." Sophomore- Jenninfer Cheaves

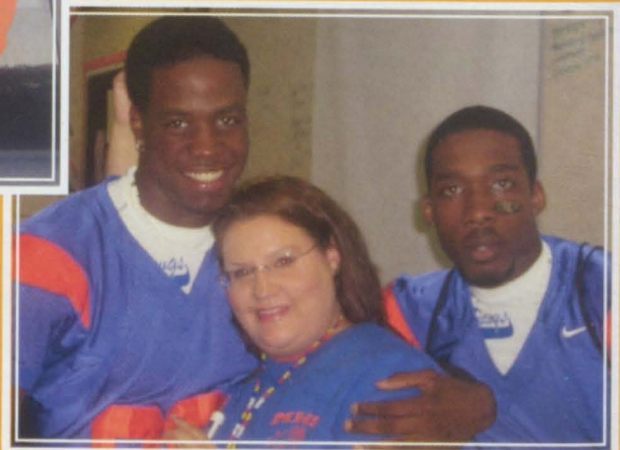

"My opinion on the new schedule is that the classes are too long and it gets too confusing. I liked the old schedule because it was much easier." Sophomore- Shelby Romanstine

# Dawg Spirit

Last year the bulldawgs were supported by the entire school. The faculty and students participated in various activities throughout the year including sporting events, pep rallies, and homecoming week. Because of such strong support this past year was filled with many spirited events.

Mrs. Cook showed her school spirit and her muscles right after chorus class.

Mrs. Cabrera surrounded by two of the football players right before their big game.

The senior class working hard to finish there truck and come out on top.

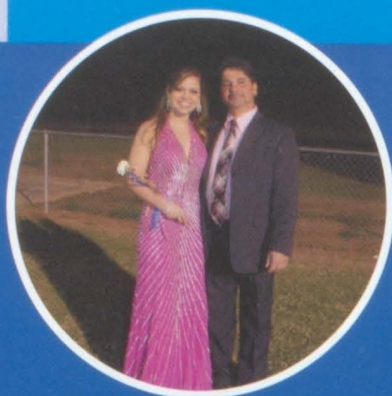

Samantha showed her sprit by waving of the flag before the game

Anything girls can do we can do better... so they say!!!!!!

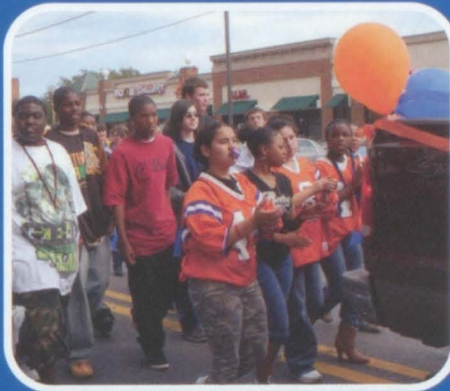

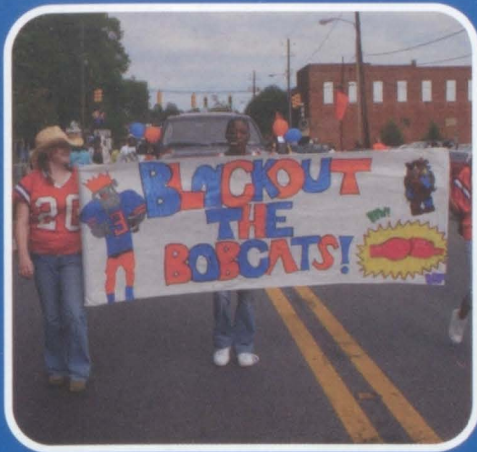

# A M o m e n t T o C h e r i s h

# What's Hot?

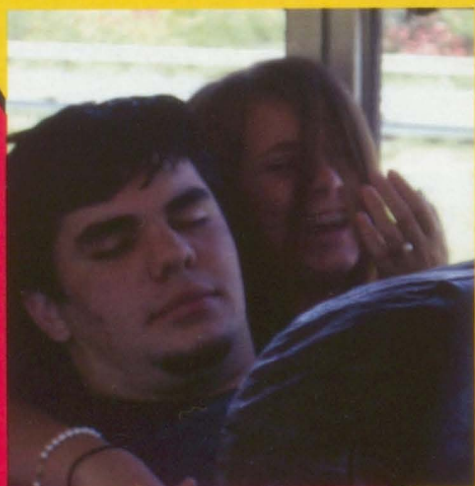

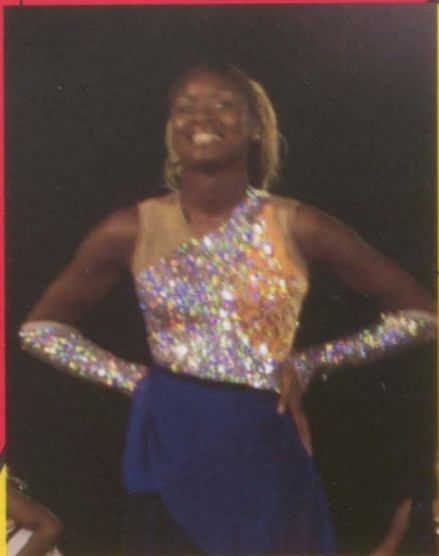

At Montevallo High School, the way a student dresses is a way for them to express their personality. As the trends change throughout the year, our students were the first to make sure they were rocking the most fashionable trends.

Some of the most popular items include: flip flops, jays, snow boots, purses, and jewelry. As one can see our students are very stlye savvy.

Person to person, moment to moment,  
as we love, we change the world.

Samahria Lyte Kaufman

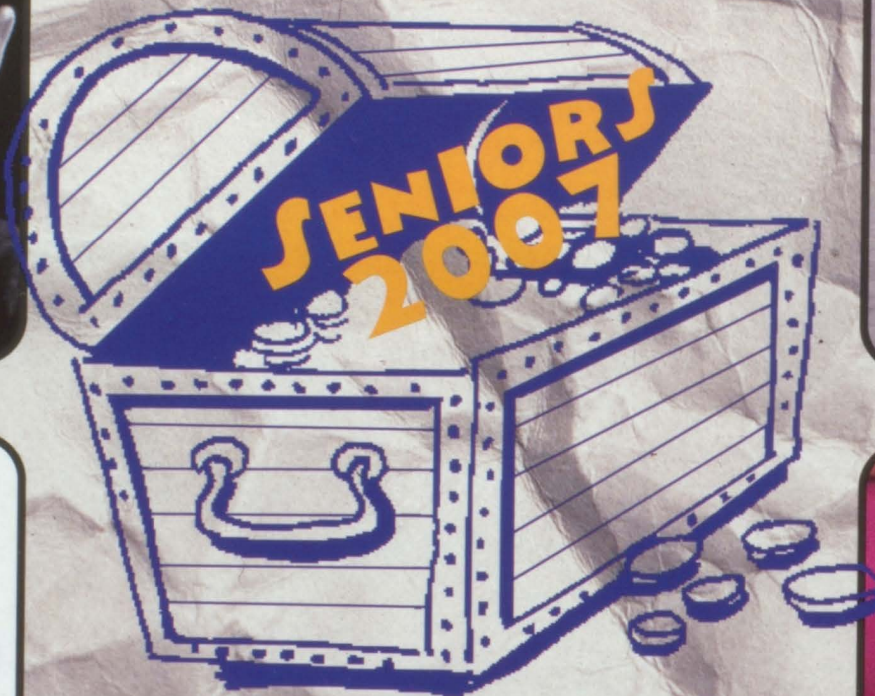

The senior class of 2007, decided on a few items that they would like to place in a Time Capsule. They wanted to have memories of their senior year and what it consisted of. Jackie Menjivar had something to say about it, "I think the time capsule addition to the yearbook reflects our class as a whole. I believe this is a positive addition and should be made into a tradition."

# A Century

Athletics have been a huge part of our school. Many people centered their life around football, basketball, and baseball. Montevallo has had a wonderful athletic program throughout the past hundred years. The football team has gone to the playoffs at least seven times and were named the state champions in 1960 by the Birmingham News. The basketball team was second in their region in 1972, 1976, and 1977. Also they were State 2A Champions in 1974 and 1975.

There was a change in the school class. This means that Montevallo moved from a 4A class to a 3A class. The Varsity Football team made it to the first round of playoffs against the Pike County Bulldogs. This is the first time in nine years that Montevallo has been a part of that experience. Also, the boys finished their season with seven wins and three loses. "I am very proud of our guys, the way they carried us through the season and brought us back on top," Coach Jim King said.

Coach Nan Franks

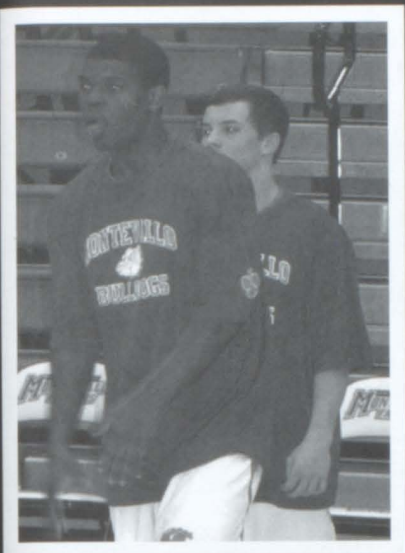

Last year's varsity cheerleaders had a great season. For the first part of the year, the girls were led by Coach Kelli Davis. However, Coach Nan Franks took the girls over after football season. Following tryouts, the cheerleaders worked diligently to prepare for their trip to the University of Alabama for UCA Cheer camp. There, the girls participated in the home pom competition, along with other areas of competition. Five members of the squad were chosen as UCA All Stars. These were: Samantha Bunn, Adrian Lucas, Lauren Stephens, Nicole Hawks and Courtney Ellison. This was the first time the Montevallo cheerleaders participated in camp at the University of Alabama and it was overall a huge success. "I really enjoyed camp at Alabama. It was overwhelming at first, but an amazing experience," senior Adrian Lucas said. The squad also cheered for girls and boys basketball. During this time, the girls really were able to show-off their talents performing at every quarter change and halftime. As the year concluded, the seniors were sad to leave, but excited to know that last year's squad upheld the great reputation that MHS Cheerleaders have always had.

## Girls

The MHS girls' basketball team wins its third consecutive area title, going on a fifteen-game winning streak and advancing to the Sweet 16 before losing to Montgomery Academy. It is the best record in Montevallo High School history and the second-best finish in the playoffs. The Lady Dawgs are led by senior Candice Fields, the Area Most Valuable Player, but will return four starters for the 2007-2008 season, so the future looks brighter than ever!!!

As the games ended Sophomores beat the Freshmen 14-12 and the Seniors beat the Juniors in overtime, 12-6. This was an exciting event that was able to wrap up a great Homecoming week!

The 2006-2007 girls and boys tennis team spent many hours during the week practicing at the University of Montevallo. The team was very dedicated as well as determined. The girls had 12 wonderful games this past season. The boys also had a great season with 10 games. Unfortunately, all of the games were away because the college tennis team had tournaments at that time. However, the team didn't let that discourage them.

# Swing Batter,

The 2007 softball team had an amazing year. The girls worked very hard to achieve goals and win every game. They had practice on a daily basis and they hit the field determined to win.

Montevallo has always been very involved in organizations and this tradition dates back many years. Some organizations include Key Club, FFA, FCA, FCLA, Math and Debate Teams, and Scholars Bowl. These students have always taken pride in their school and that continues today.

TROUBADOUR

# Troubadours

All 4 Da Funk was the theme for the Marching Troubadours field show this year. The Troubadours really put on a show this year by performing: Free, by Chicago; Shake, by the GAP Band; Give Up The Funk, by George McCClinton; Never Can Say Goodbye, by the Jackson 5; and, Dr. Feelgood, by Motley Crue. The Troubadours took their show on the road by performing at all home, away, and playoff games. They also performed at the Shelby County Showcase of Bands, and at two major contest. The Troubadours were seen by no less than 150,000 people this year. The Troubadours had a very successful year and enjoyed it greatly, Drum Major Kirstan Cunningham had this to say; "I really enjoyed this year's marching season, even though we had our more than welcome share of drama, I was so proud of the band and really felt proud to lead the band in everything we did. It was hard at times but we held our head high with Troubadour Pride!"

The Troubadours won best in class Drum Major, Danceline, and Majorette trophies. They also won superior Color Guard, Danceline, Band, Drum Major, the Dwayne Gilbert Pit Crew Award, and third place in class A2.

# Symphonic Band

The Symphonic Band at Montevallo High School had a great year! They participated in many competitions and performed many benefit concerts, including one for cancer in the spring!

# "Sparkling Singers"

Last year was an exciting year for the Chorus members of Montevallo High School. They had the pleasure of welcoming Mrs. Cook as their new choir teacher. Last year was the first year in many years for Montevallo High to have a chorus. Although last year was the first year of chorus, Mrs. Cook and the "sparkling singers" have worked extremely hard preparing for concerts. They have also worked on improving their voice skills. We asked some of the chorus members, "How does singing make you feel?"

This is how they responded:

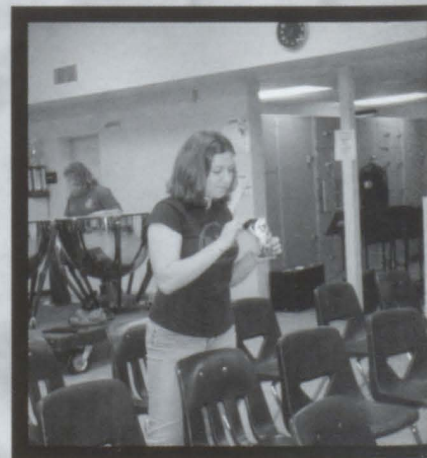

"It makes me feel free and relaxed."

-Holli Gilbert

"Singing makes me feel rejuvenated. It's a talent that calms me when things are not always going well."

National Honor Society is based on an academic achievement. You must maintain a grade point average of 3.5 or above to be eligible. These are students that have worked hard and are willing to reach their highest potential. Last year's recipients of National Honor Society shined for Montevallo High School. These students engaged in many activities and community service projects. They went to Montevallo Elementary to read to the smaller students on several occasions. They really enjoyed every chance they had to be an influence on someone else's life.

Some of the events that were held were: staff appreciation, school clean-up, Red Ribbon Week, canned food baskets for Shelby Emergency, Spirit Week, stocking stuffers delivered to Shelby Emergency, and also many visits to retirement homes. Key Club was a great experience for many people. With Ms. Coleman as a sponsor, they had fun and enjoyed doing many community services with each other.

Key Club member Melissa Anderson says "Key Club was a lot of fun last year. I enjoyed being a part of a club that served the community to make it better."

## Scholars Bowl

In the past year Scholar's Bowl overcame obstacles and did very well in their competition. Their practice matches had excellent outcomes as well. "I really enjoyed Scholar's Bowl this year, it was lots of fun and I enjoyed learning new things" stated Senior Kirstan Cunningham. The Scholar's Bowl has done really great under the leadership of Anita Glover. She took the place of Ms. Coleman due to special circumstances.

These students worked hard to memorize poems and even some short stories to present to schools all over Shelby County. Sabrina Inabinette, a sophomore, said that the class was "lively" and "energetic" everyday, even those days that weren't looking up. Who knew poetry could be so "crunk"?

They had a great year full of learning and enjoyable activities.

# Brilliant Broadcasters

Mass Comm had another successful year. Because of the new block scheduling, broadcasts were produced every Monday instead of the regular Fridays. The weekly shows consisted of reports, scripts, weather, and a sports segment. Mass comm students were seen throughout the school, as well as the town, reporting the most recent local events. Several hot topics covered last year included: the annual Christmas Parade, the new library, and several movie reviews. Students in this class also participated in a mass communications conference at Columbia University in New York City. Overall, these students had a wonderful year, full of new experiences and tons of on-air exposure.

All members of the bunch posed in front of the famous fountain in the center of Samford University. Mass Comm participated in a conference that was held at Samford during the month of September. There, they were able to meet members of the Fox 6 news team including Rick Karle, Devon Walsh, and Mickey Ferguson.

To my angel Christina,  
I knew when I looked into your  
sweet face the day you were born  
that I have been given a blessing from  
God. You've always had a strong will  
and you've come so far. I have no  
doubt you will continue to succeed in  
life with whatever you set your mind  
to. You've always believed God will  
guide you and answer prayers. I pray  
you will bring up your little angel,  
Angelina, with your beliefs and  
standards. Trust God in all things. I  
love you with all my heart!

Lee Ann Womack - *I Hope You Dance*  
 I hope you never lose your sense of wonder,  
 You get your fill to eat but always keep that hunger,  
 May you never take one single breath for granted,  
 God forbid love ever leave you empty handed,  
 I hope you still feel small when you stand beside the ocean,  
 Whenever one door closes I hope one more opens,  
 Promise me that you'll give faith a fighting chance,  
 And when you get the choice to sit it out or dance...

I hope you dance... I hope you dance.
